Start Clipping!

Howard B. Thomas is actively involved in the *Box Tops for Education* program. For every Box Top turned in, our school receives 10 cents! To help our school earn money, you simply have to look for the Box Top logo on participating products, cut it out and send it to school with your child. Each classroom will have a designated bin to collect the box tops. The classroom with the highest amount turned in will win a sweet treat, so start clipping! See the picture of a sample Box Top below.

For more than 30 years, *Labels for Education* has been awarding free educational equipment to schools in exchange for proofs of purchase from the Campbell family of brands. It's a fun, easy program where students, families and members of the community work together for a common goal. Howard B. Thomas is participating in the LFE program, and you can help! Just clip the UPC label or save the cap from participating brands and turn them into your child's teacher. The classroom with the highest amount turned in will win a sweet treat so start clipping!

Clip Only the UPC code - NOT the entire label.
Save UPC's and beverage caps from participating products.
Send in to the school to earn points for our school!

Thank you for your support!
